The textbook we use for this class is very appropriate for the level
Linxi did a fantastic job including all sorts of aspects for my learning.
They were enough
Everything was out of the textbook or on the website, it was very easy to understand what the workload is.
They were all good quality.
All of the materials were very helpful in learning the language.
The class was very good

Liked the unit about the past where we learned about the Incas and Mayas
We learned a lot about different communities that spoke Spanish
Different words for different levels of manners show a difference between english and spanish
I learned a lot about the types of foods, movies, and every day greetings.

If Discussion Board/Blog Tools were used in your course, how useful did you find them?

Comments
Not that useful, we only used discussion for lingua meeting and a tarea final, it was nice to see other people's responses but not overly helpful
Very useful
Somewhat useful, but not used a lot.
Very helpful to organize work.
The discussion boards were not very useful
Nothing too special about them. We usually upload our Tarea Finals and questions for LinguaMeetings.

How useful did you find the required out of class aural/oral activities (e.g. cultural activities, conversational practice, activities of your choice, films, etc.)?

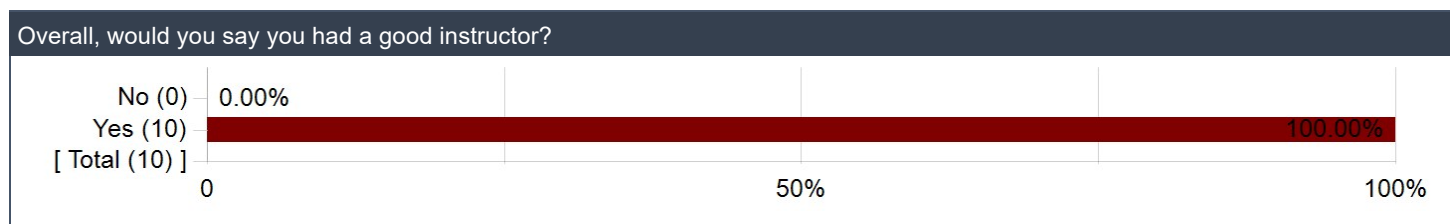

Comments
I really like the Lingua Meeting sessions I think they are super helpful in practicing speaking
Very
Very useful, helped a lot with the oral exam and lingua meetings
Not that useful.
These were very helpful.
They were useful.
Very Useful
Good as far as engaging with the language outside of the classroom. However they were not integral to learning, with the exception of LinguaMeets which were good speaking practice.

She was easy to learn with.
She was great at teaching the class and made it enjoyable
She was an excellent teacher

Did taking this course improve your language skills significantly?

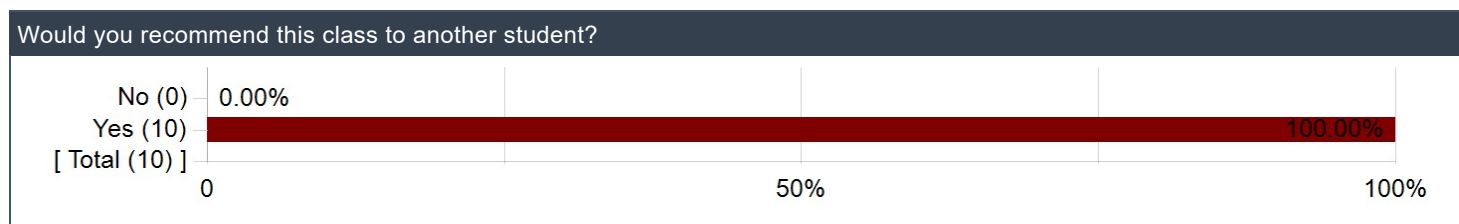

How would you improve this course?

Comments
I liked it better when tarea finales were in class, the outside of class work seemed unnecessary and often put more burden on certain group memebbers more than others.
One less linguameeting because it gets hard to schedule
Its fine
Slightly more organized and comprehensive review for tests would be helpful. Lists of textbook pages weren't always the most useful.

In what way?

Comments
More comfortable speaking, imperfect tense is very useful
I can speak much more smoothly and clearly
I can speak more spanish than before i took the course
I am better at conversational skills
Speaking.
I'm more confident in speaking.
I practiced and learned a lot more
