Comments
Lectures were enjoyable and I got to learn about a lot of different cultures. There was definitely too much homework– felt like I had to prioritize quantity over quality a lot of times and I felt like I was always behind.
We dove into the culture of various Latin American countries and read some very interesting articles that helped expand on every module. The modules themselves were split into 4 parts: reading, writing, grammar, and interviews. Through the interviews, we got to ask the people around us in–depth questions about module topics and learn more about their culture in the process.

He was extremely flexible and truly just wanted every student to succeed.

What could the instructor modify to help you learn more?
