## Did taking this course improve your language skills significantly?

## In what way?

Comments

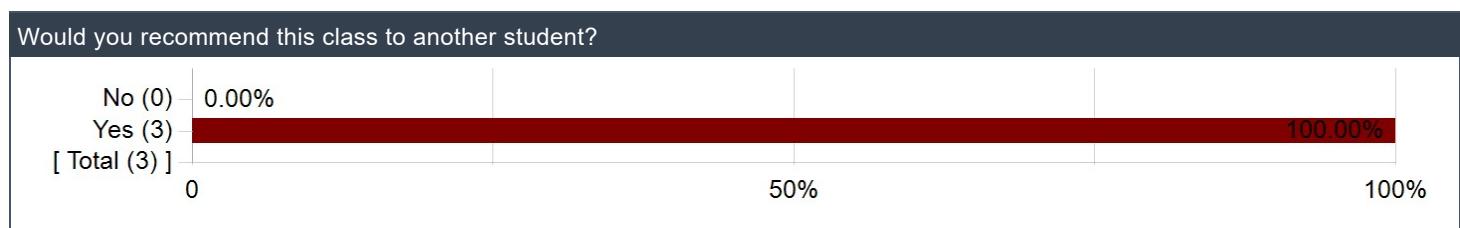

There's just so much I know about grammar that I can put together a sentence better than I did when I was self studying

## How would you improve this course?

Comments

I would say perhaps introducing more cultural elements

## Would you recommend this class to another student?

## Why?

Comments

The correct answer to that is yes and no, no if you're trying to take the course simply to complete the core because it's very quick paced and there's a lot of tests and quizzes in a short period of time but yes cause the professor is good, if you put in the time to study you'll pick up things quickly
