## Were you satisfied with the text?

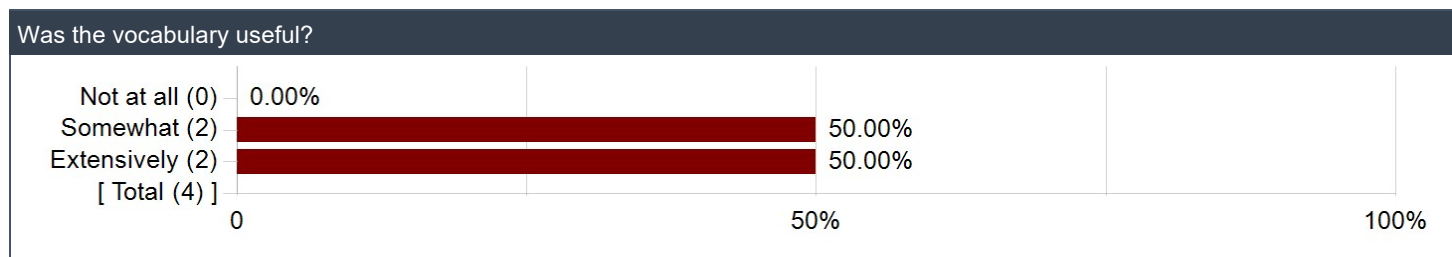

## Did the instructor follow the text closely?

## Explain:

Comments
Professor Almog follows the textbook, but I think she does a good job of supplementing it with other cultural activities and useful vocabulary, especially to ensure we are engaging well and moving at a rigorous pace.

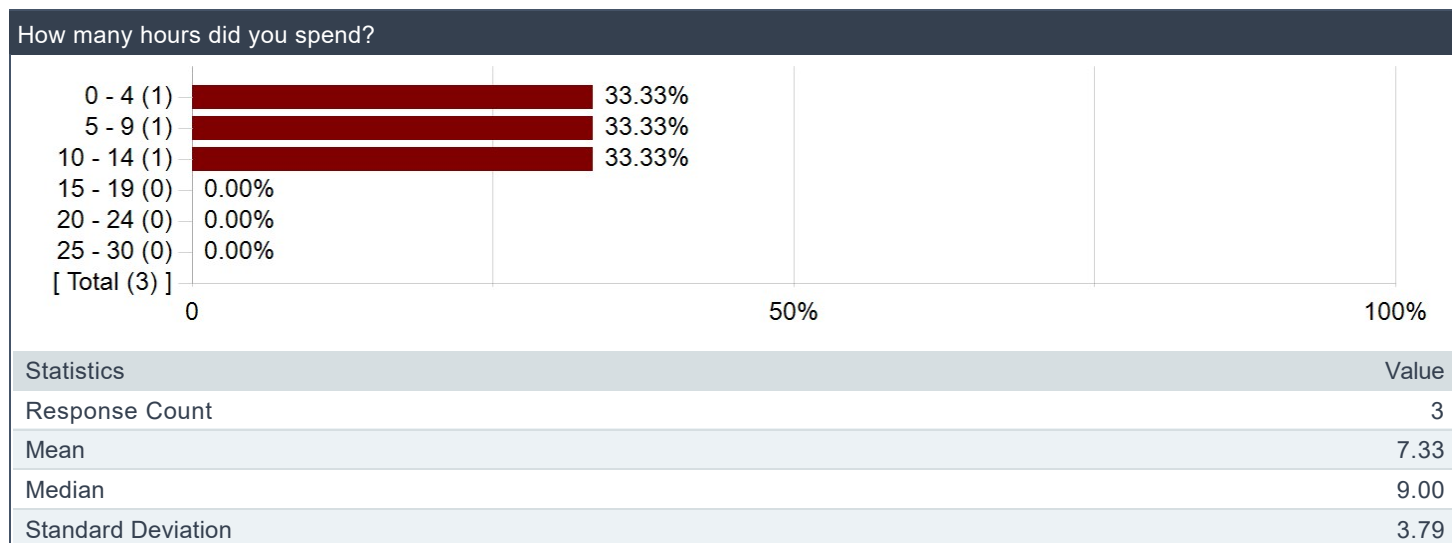

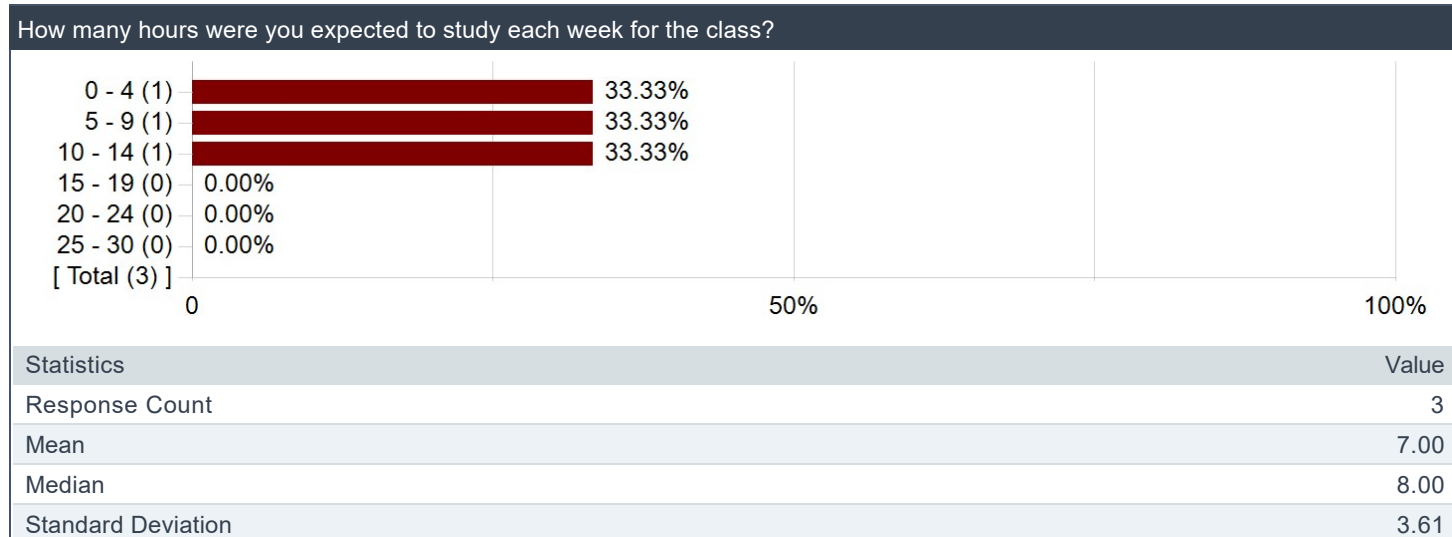

## Was the vocabulary useful?

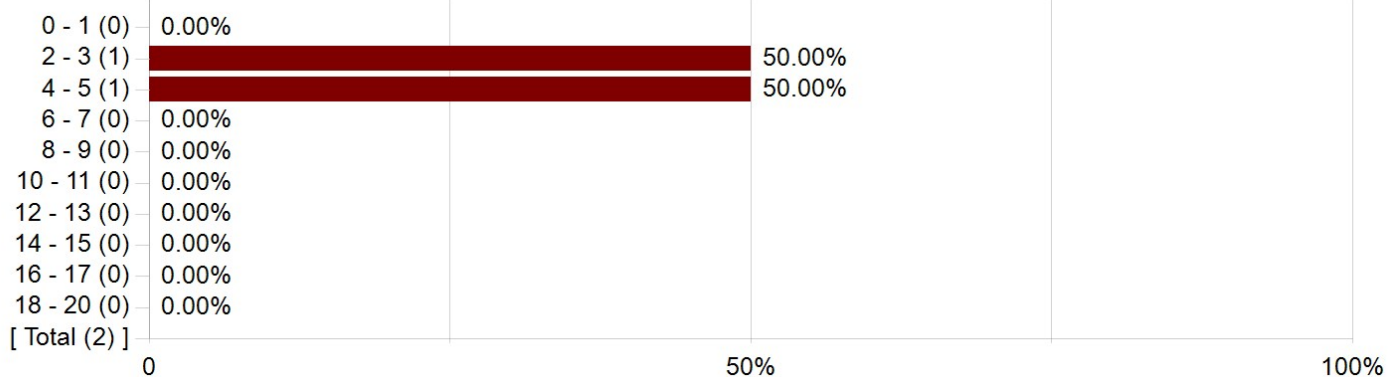

## Describe the format of the class (lecture, drills, etc.). Was this format productive? Please be specific.

**Comments**

Professor Almog creates informational videos and other materials that we are expected to use outside of class to become familiar with the material, and then we use class time to practice with each other and go over the more difficult grammatical features of the language. I think this is useful because it allows us to engage more in class.
