Were you satisfied with the materials (texts, audios, videos, exercises, etc.)?

I felt that some of the recordings were a little muffled, which made them difficult to understand.
All these materials were helpful and useful in learning French.
some of the listening was harder to hear so the listening tests were difficult too

If Discussion Board/Blog Tools were used in your course, how useful did you find them?

Comments
I found the act of doing a video for the discussion board helpful, but I don't think that the comments were very helpful.
We did exposés, and they are helpful both in researching in French and commenting in French.
the exposés were fun to participate in.

I feel like Etienne was a very good instructor, and able to convey a lot of grammar and topics in a short period of time. However, sometimes, I feel like the activities that we did in class were exactly the same as the homework, and this repetition was not beneficial.

Etienne is an attentive and great instructor.

Etienne was a great professor, he was always willing to meet outside of class, and was very responsive when students wanted to learn more vocabulary in class or needed extra help with assignments outside of class
