Comments
Instructor was great and laid out the course clearly
She asked us interesting questions that sparked a conversation during discussions and went over meaningful ways to contribute.
She is one of the most encouraging, supportive, and understanding professor. She also facilitates class discussions very well.
Prof. Galvin has the magical power of encouraging everyone to talk, thus making me learn a lot from my peers as well. This made the seminar so much better and encouraged me to speak up more.

What could the instructor modify to help you learn more?
