Overall, would you say you had a good instructor?

Please explain:

Comments
Diego Barros was great, he established expectations and worked with you and gave great feedback for various points we were struggling. He also made it comfortable for people to speak in class and was funny so he kept us engaged
I cannot speak highly enough of Sr. Barros. He turned the class from a requirement that I was mostly apathetic towards into my favorite class of the quarter. He engaged the class, connecting with each of us individually. He made the class a very fun but productive environment, and greatly reinvigorated by interest in Spanish
