Critique and individual discussion with us about projects
Prof. Yerxa was a really amazing professors who looked to see his students succeed. I didn't have much of an art background before, but I felt comfortable trying all of my ideas in class and Prof. Yerxa helped me fine tune everything and make my ideas actually happen. The assignments made me think about art in a new way and never felt too overwhelming, so I actually enjoyed the content.
The one-on-one discussions where he gave helpful comments towards improving each project.

What could the instructor modify to help you learn more?

Comments
Different timing — ie less time on the first project and more on the latter two.
