How useful did you find the required out of class aural/oral activities (e.g. cultural activities, conversational practice, activities of your choice, films, etc.)?

Comments
Lengua meetings weren't that useful in my opinion and were more stressful than beneficial bc of how hard it was to make up if you missed one (you have to pay \$5)
Useful, a lot of stuff to do, but useful

She was fantastic about listening to the struggles of the class and teaching to that and cared about us all as individuals rather than just students. She is super understanding and talking to Neringa was sometimes the highlight of my day.

Great instructor, very reasonable with workload and made class fun, would recommend this class

Professor Pukelis is WONDERFUL. Like one of my favorite instructors that I've taken the course with. If you need to get core spanish done, she is the professor to do it with.
