## Were you satisfied with the materials (texts, audios, videos, exercises, etc.)?

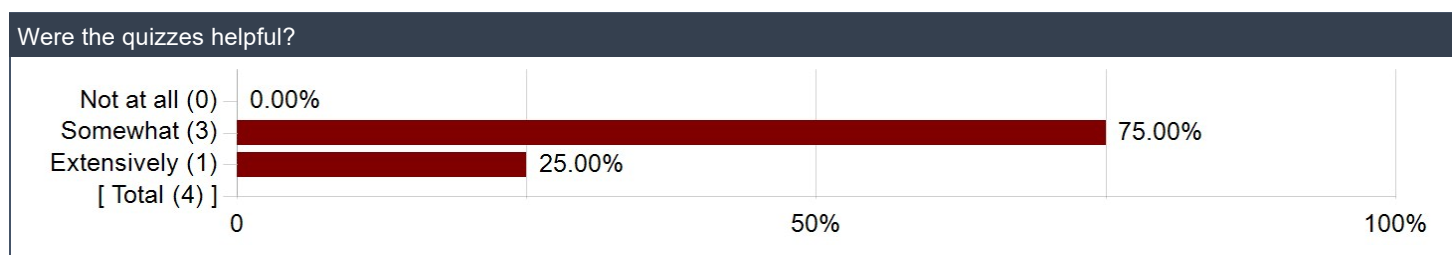

## Please explain:

Comments
It was well taught.
Sometimes we run through the chapters too fast and instead of giving students the chance to fully grasp concepts, movement through topics seems more important to the runners of this course (not the individual teachers' faults)

## What did you learn about culture through language?

Comments
Yes, especially during the lingua meeting sessions.
Culture and language work together but separately at the same time

She was organized and also very chill
The best professor ever – she made learning spanish fun and easy
She explained topics in detail so instead of there being rote memorization, students properly learn the language
