Please explain:

Comments
The textbook has us learning how to tell time in Chapter 6....
it was fine
I wish we had more interactive activites rather than strictly following the textbook each class. I did get a good grasp on basic Spanish, but sometimes class felt repetitive from the homework.

What did you learn about culture through language?

Comments
I learned touristy places in Spanish-speaking countries
Hispanic celebrities
We studied many spanish-speaking countries, their tourist attractions, popular things to do there, their geography, and climate.
Not much

How useful did you find the required out of class aural/oral activities (e.g. cultural activities, conversational practice, activities of your choice, films, etc.)?

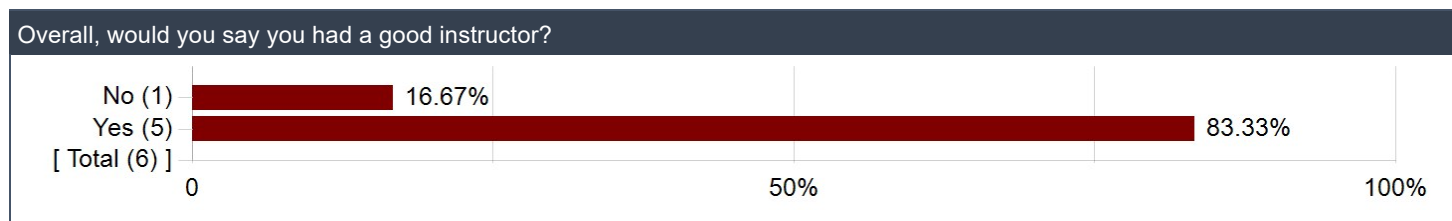

Comments
Somewhat useful
conversational practice was okay but i didn't like doing it online much.
LinguaMeetings were my favorite part of the course, all the teachers on there were extremely nice and conducted the conversations well. It was a good chance to practice my speaking.
decently useful

Did taking this course improve your language skills significantly?

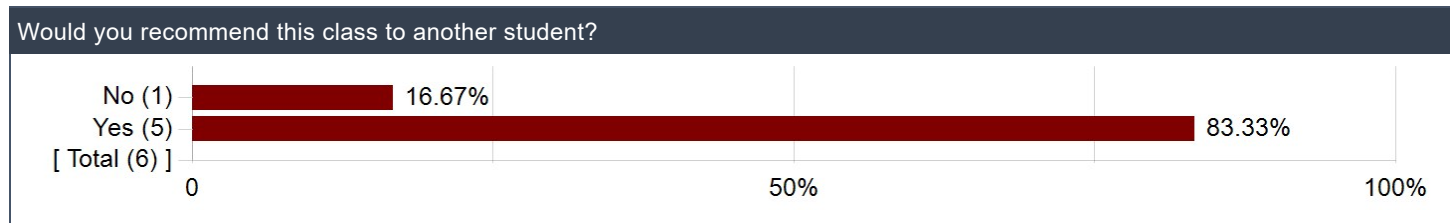

How would you improve this course?

Comments
Better textbook, more vocabulary and more emphasis on grammar rules
partner work where we have conversations in Spanish with each other
I wish the course were more lenient with grading and late assignments.
Include more interactive projects, longterm projects, and group work that's not based out of the textbook.
More grammar related

In what way?

Comments
I can chat with native speakers now
it was fine
I can communicate about basic topics in Spanish now. I feel more confident in my ability to communicate in a Spanish-speaking country now.
Started from almost nothing. Now I'm able to form actual sentences.

Would you recommend this class to another student?

Why?

Comments
You overcome your fear of speaking through the lingua exercises
its a basic class that's required for the language
This was a good intro to Spanish! The time requirement and difficulty were very reasonable.
