Thinking about your time in the class, what aspect of the instructor's teaching contributed most to your learning?

Comments
class lectures, office hours
class discussions
Ability to move discussions along
She was very helpful in helping me come up with ideas and clearing up misconceptions about the course content; the presentations relating texts to the contemporary moment were also cool
Mini-lectures and facilitating discussions.

What could the instructor modify to help you learn more?

Comments
nothing
Nothing really, except maybe pose the questions we want to discuss before class or send them out?

Comments
typical writing experience (took hum), pretty easy
it wasn't difficult
Appropriate difficulty as a continuation of first quarter
I found it difficult to keep up with the amount of reading amidst midterms, and I found the paper grading to be pretty fair. I think I improved as a writer and learned a lot. If you put in effort and are a good writer, the grade is not something to be worried about
Great follow up. Manageable and interesting subject material.
