## What are the most important things that you learned in this course? Please reflect on the knowledge and skills you gained.

Comments
I learned about a multiple different styles of theater from around the world, as well as common philosophy behind theater. I also was able to see ways to help with creative blocks when it comes to things like writing plays.
Different art themes, how to create, read and criticize art
how to read plays, different styles of theater and acting/ presenting stories
I learned how to analyse plays and speak about them in a modern-day context.
The ability to understand plays beyond the words on the page and also different forms of theatre.
We learned about different plays and dramatic themes and techniques.

## Describe how aspects of this course (lectures, discussions, labs, assignments, etc.) contributed to your learning.

Comments
The lectures and time we spent on our feet definitely contributed the most to my learning because they were the primary way we gained information.
Lectures were very fun
readings were interesting, discussions were helpful, and activities were fun
The practical activities we did in class helped me understand the discussions we were having. The readings were very interesting and varied as well, and prompted fascinating discussions in class.
The class was amazing since we discussed the plays, but also seeing the plays was a good thing.
The course was a mixture of lectures, discussions, and workshop-based learning.

## Thinking about your time in the class, what aspect of the instructor's teaching contributed most to your learning?

Comments
My teacher was always very passionate about her subject, which helped me feel engaged. Also, she was very flexible and tried to adapt her deadlines so that we could perform our best on assignments, which let me enjoy the class more.
supportive
The lectures
i liked some of the class discussions about certain plays
The prompting questions she brought to class were extremely thought-provoking and helped guide the way I thought about the course content.
Everything
She was very enthusiastic about the class, which made it easier to stay engaged, which can be difficult in longer classes.

## What could the instructor modify to help you learn more?

Comments
Sometimes the activities we did on our feet could feel a bit awkward and pointless, but I don't know if they should be modified.
Nothing

Comments
very manageable
You definitely have to put effort into the class, but it's not a challenging course.
I've had some theatrical background, but I don't think that changed the difficulty of the course for me as compared to someone without it.
