## Were you satisfied with the text?

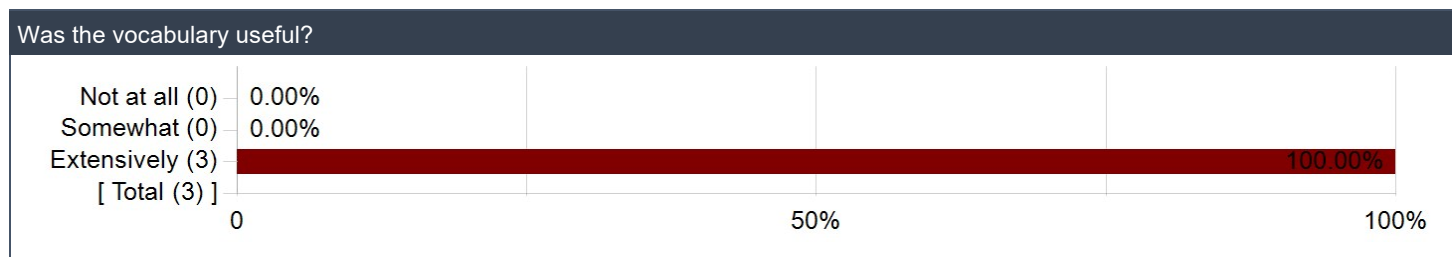

## Did the instructor follow the text closely?

## Explain:

Comments
She puts the text inside of the slideshow or dropbox, but we don't use the textbook outside of the slides.

## Was the vocabulary useful?

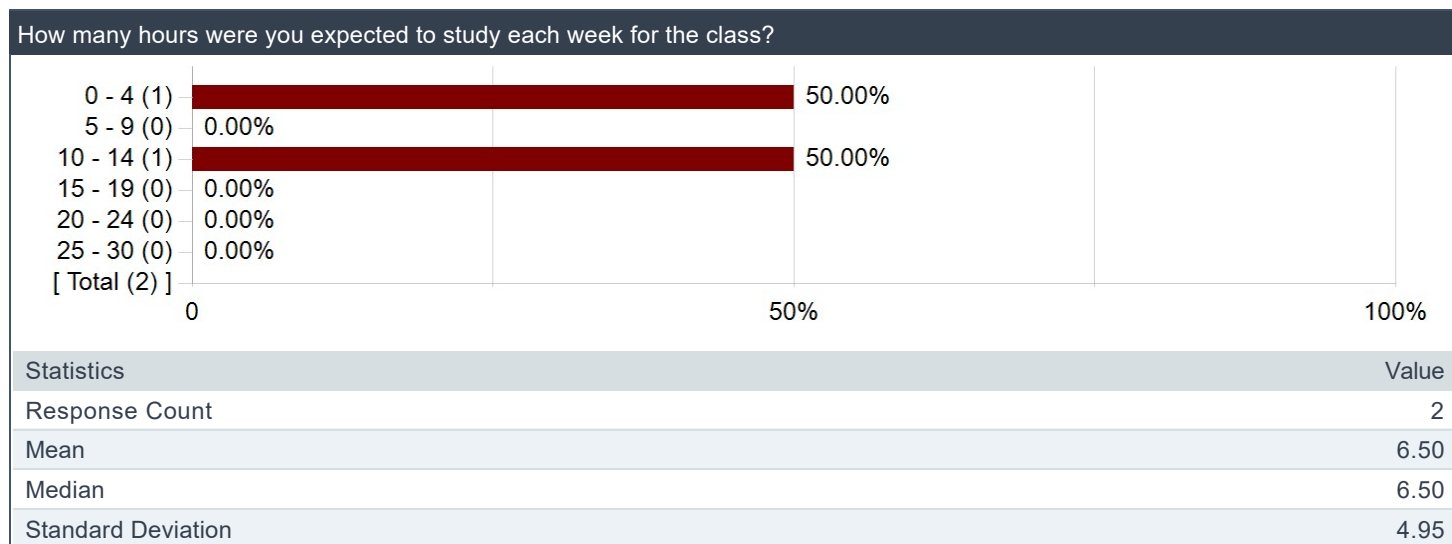

## Why?

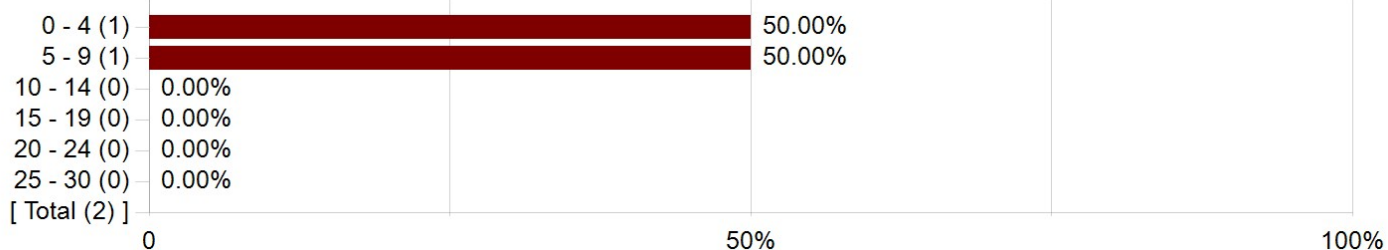

Comments
The vocabulary we learned was all important for making sentences and speaking and everything else
We learned vocabulary that was important in everyday conversations, which helped me go from not knowing any Bangla at all to understand the message behind the conversation, even if I didn't know every word.

## Describe the format of the class (lecture, drills, etc.). Was this format productive? Please be specific.

Comments
Slideshow based,. I think for grammar this worked well, we would see an example slide then take turns reading or filling in the blanks or doing some other slide-based activity that allowed us to implement the new grammar rule
It is more of a discussion class, as we follow a slideshow but we speak conversationally in class.

#### Comments

The slides were well made and clear about what we were doing for the most part, though sometimes it was a bit hard to find where we were because of jumping through several links.

She had a plan laid out for the entire quarter week-by-week, and we had a slideshow that we would do every week.

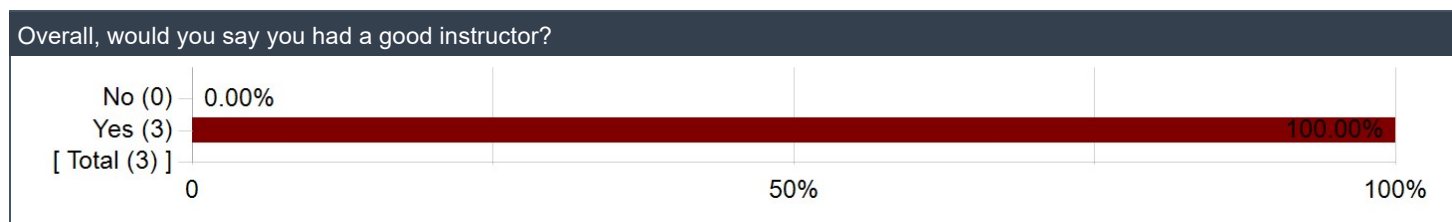

## Were cultural units included?

## Were they interesting or helpful?

## Overall, would you say you had a good instructor?

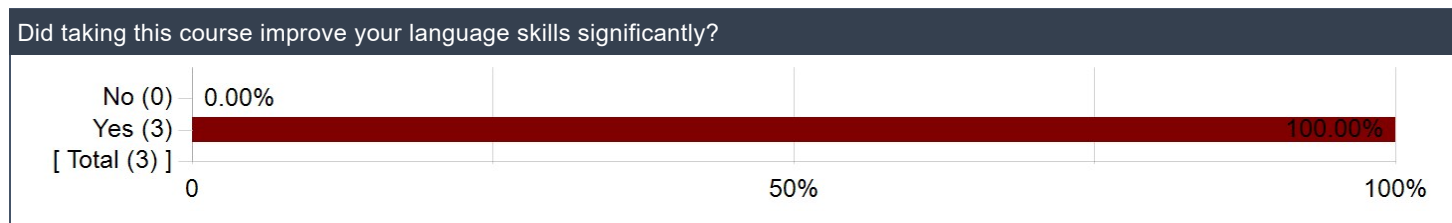

## Why?

Comments
Very friendly, class was a great environment that I really enjoyed attending.
She was extremely nice and was supportive of all levels of Bangla, as I didn't know much to begin with. She is very understanding with the level of Bangla and constantly asks what you need to work on, which she takes into account in her lesson plans. Overall, she was my favorite instructor I have had so far.

## Please provide your TA's name. Did the TA answer your questions fully and clearly?

Comments
Nadia Sultana. Yes she was also a very helpful part of the class
Nadia was very helpful throughout the course, and she provided a ton of feedback both in class and on our homework assignments. She would regularly participated in class and also would correct us in real time if there was something we would get wrong. She worked well with the professor and gave insightful points in class.

## Did taking this course improve your language skills significantly?

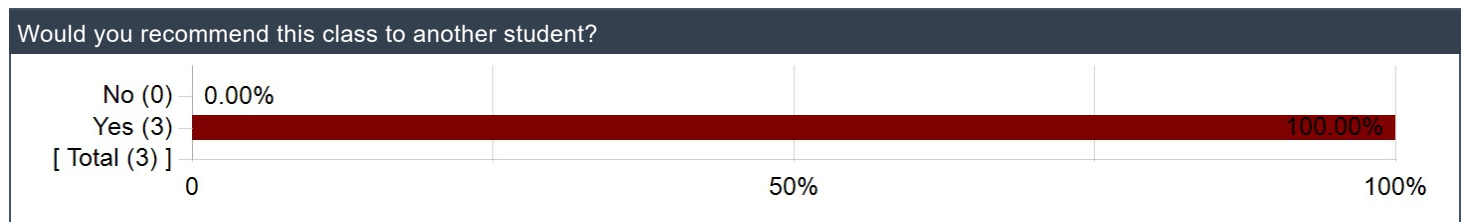

## In what way?

Comments
My writing has vastly improved, along with my ability to listen and speak the language
I am now able to fully read words and can have basic conversations, which I could not do before I took this class.

## How would you improve this course?

Comments
A bit more listening exercises, I still struggle a bit with it because I'm not great at picking up on key words and conjugations/noun endings to piece together the sentence.
Nothing I would do to improve this course.

## Would you recommend this class to another student?

## Why?

Comments
The vibes are great and it's a fun class where you still learn a lot about Bangla
Very interesting and the professor is great.
