Comments
lectures and discussion posts
Professor Bian had discussion leaders for each week which I felt was very helpful as students were able to decide the topics of conversation.
She was patient and kind with us.
I liked the concept of discussion leader and thought it was nice to get involved in that way.
The way she facilitated discussions so well and helped us to talk about and answer unsolved questions.
Prof. Bian made us all be discussion leaders for one class, which forced me to understand that week's papers and topic much better than I did for other weeks.

What could the instructor modify to help you learn more?
