Not really used
They were useful to learn more about french culture through media.
not that useful

Professor Taranne was very good at teaching us French and teaching it in an engaging and fun way. She really wanted us to learn about the culture and the nuance of the language as well, and was always very instructive as to how we pronounced the words and how we enunciated. She was a very flexible teacher and tried to make the class a rewarding experience.
She was very patient with teaching and created a very comfortable environment to come to every week.
Erell was the best! Great instructor, she really knew what she was doing.
Was very understanding, and made sure that everyone understood the topics being presented.
Erell was very understanding and made the class fun by explaining French political memes and having us play games every so often!
