Comments
smith and marx
Critical thinking
Theories of political economy: Marx, Smith.
I've learned a lot about Smith and Marx and how their political theories work with each other in the broader themes of our world today.
Smith and Kant's perception on the effects of capitalism on society

Describe how aspects of this course (lectures, discussions, labs, assignments, etc.) contributed to your learning.

presentation, small group discussion, entire class discussion
It contributed a lot.
in class discussion was by far the biggest contributor to learning. helped to get instant feedback on how we were working our way through the material
Lecture was great as Professor Nogales is one of the best professors to teach power.
The discussions facilitated the majority of what I learnt.

lecture
Professor Nogales is a phenomenal instructor and any student interested in taking PIR would be lucky to get a slot in her class.
the fact that our learning depended on active participation. helped me order my thoughts about the text and created new connections between concepts
All of it.
Her liveliness.

What could the instructor modify to help you learn more?

more lecture maybe idk
N/A
if discussion is slow, she will be visibly frustrated and she will express disappointment and frustration. because of this, if i genuinely dont understand something and can't participate, it makes me even more frustrated. this was one or two times in the entire quarter tho
