Thinking about your time in the class, what aspect of the instructor's teaching contributed most to your learning?

Comments
You can tell that he's very passionate about the subject when he's leading discussion. He's also very understanding if students require an extension for a paper.
discussion
very knowledgeable

What could the instructor modify to help you learn more?

Comments
I'd like it if he could be a little more receptive via email. I asked for some advice regarding participation a few weeks ago and as of the time I'm typing this, I still haven't received a response. I also asked for an extension on a paper and didn't receive a response granting me one until four days after the due date. I consider these to be small things, because other than this he was great!
nothing, Sharp is HIM
