The cultural experiences on Lingua meeting were too difficult and not helpful

it was chill

Sometimes I thought class work could've been taught better rather than just having the students try to do the work and then going through the answers after.

What did you learn about culture through language?

Comments

learned about aztec and mayan cultures and dishes in different countries

about culture we learned

Not useful, The lingua experiences were the worst
not helpful and a waste of time, usually the level of spanish in the meetings was beyond what I could understand

She was helpful and explained things well and was lenient with grading
Love instructor, hate the course
prof espinos was a lot of fun and very engaging in class
I thought she was a good instructor that made me look forward to going to Spanish, but sometimes how the class was guided and occasionally her explanation of gramatical topic could've been better.
