You need the vocabulary to do the grammar exercises and understand the Cicero

Describe the format of the class (lecture, drills, etc.). Was this format productive? Please be specific.

| Comments |
|---|
| The design of the quizzes were not really helpful, as they essentially forced us to learn grammar terms than translate/comprehend the text |
| We usually reviewed the grammar homework and talked about the Cicero |

Latin has a huge learning curve, and while I have improved, I still have a long way to go before I can comfortably read Classical Latin prose and poetry
I got a lot better at Latin

How would you improve this course?
