Great professor, always asks about us and how we're doing. Tries to implement things about our life into the class to make it more personal to us. If we're talking about a certain topic she asks us for our own opinions and explanations.

Please provide your TA's name. Did the TA answer your questions fully and clearly?

Comments
Jeehye Ham. Somewhat. Sometimes TA expected more from students than students were able to provide (not helping us with vocabulary when we didn't know the word). Really liked the reading practice, however.
